

Wish List of Camphill School for children with special needs

Camphill School has been serving the Overberg area for 60 years, providing education and care for children and young adults with special educational needs. Special education is very costly and most of the families of the children in our care, are not able to cover the cost of their child's education. We appeal to the community of Hermanus to please donate much-needed items to the School. Donating any of the items on this list, will make a big difference to the quality of our services to the vulnerable children in our care.
